## Who We Are

Since its inception in 1929, members of the Junior League of San Diego **improve our community** through our mission-driven projects and our hands-on work with our many Community Partners.

JLSD is committed to **training women to be leaders**, empowering them to build skills through service and training that creates meaningful impact.

Our current projects focus on positively impacting those experiencing **food insecurity in San Diego**. We are hands-on in our communities. Each year our members **contribute over 3,000 hours of service** in addition to raising thousands of dollars in donations.

## What We Do

Raised **over \$500,000** in the past year for community projects and training programs.
